TO THE DEWAN OF MYSORE

To

The Dewan to the Government of
His Highness the Maharaja of Mysore
Bangalore

Sir,

We the undersigned citizens of Bhadravati beg to bring to your kind notice the following for favour of consideration and needful action

When you ~~happened to~~ visit Bhadravati during the Iron and Steel Works day celebration in the month of January 1947 some of the citizens of Bhadravati pre[illegible] a representation to your kind consideration in connection with the attitude of the Local officials As this fact has come to the notice of the Local Sub Division officer he is very hostile to some of the signatories openly as well as privately

We are now approaching your goodself because the local municipal elections are [illegible] approaching The said officer happens to be the returning Officer for the elections We can quote concrete instance to show that he has acted prejudicially to favour one party in connection with the elections According to the calender of events published the provisional voters list was prepared and published In that published list wantonly the name of (one) Abdul Kudus Anwar (2) K S Ramachandra Setty voters Nos 337 and 378 respectively in the Third division were struck off by the returning officer No other name excepting these two were struck off in the entire Voters Lists prepared for the entire three divisions

The procedure is if there has to be any addition or substraction it has got to be done by the Municipal council after receiving objections on the list Subse

Subsequently the above said persons presented their objections and their names have been now added on to the list

We are afraid his sympathy to one of the party and hostility for the other group may have influence on the ensuing elections and prejudice them Hence we pray that the said officer be transferred to some other place

We beg to remain
Respected Sir
Yours obediently
